### **How Does it Work?**

- The sale will take place on Marteye and will run from Saturday 3<sup>rd</sup> August to Monday 5<sup>th</sup> August closing at 7pm.
- A full catalogue will be available for viewing including animal info, images and videos of each entry.
- Reserve prices for entries will be taken prior to the sale.
- The timed auction will end in a staggered approach with lots ending every minute. This sale is subject to the 1-minute extension rule, whereby if a bid is received within 1 minute of the closing time, the closing time will extend by a further 1 minute and will continue to do so until the 1 minute has elapsed on the final bid.
- Each lot will be sold in guineas with a £25 entry fee charged to the vendor.
- All statements in the catalogue at the time of sale along with the correct identification of the animals are the entire responsibility of the vendors. The society or Auctioneers take no personal responsibility of the correctness of such statements or identities.
- The sale will be held under the Auctioneers General Conditions of Sale. In the event of any dispute the Auctioneers Conditions of Sale will prevail.
- Ewes that are sold in-lamb will have to be guaranteed in-lamb. All scanning details must be provided from scanning date to approximate due date.
- The movement and haulage of purchased animals will be agreed between vendor and purchaser. The purchaser will have 24 hours following delivery to satisfy the soundness of the animal. Any disputes from the sale of animals to be notified to the auctioneers within 24 hours of arrival along with a veterinary certificate to justify faults.
- Any export paperwork and costs are the responsibility of the seller and buyer.

### **Auction Requirements**

- **Animal details** - Each animal will have its own page in the online catalogue detailing pedigree info, additional notes, images and videos.
- **Additional Notes** - This info will be added to the completed sales catalogue.
- **Images / Video**
  - Up to four images should be supplied in a high resolution, landscape view. The video should be approximately 30 seconds long.
  - All images should be supplied in jpeg format.
  - Please make sure the background and surrounding area where the photo is taken is presentable.
  - Still images should be taken on concrete or a hard surface so feet and legs can be seen clearly.
  - Photos should include sideways views, rear and front views.
  - Please ensure that each image and video is identified with the animal's name or tag number so it can be catalogued correctly.
  - No screenshotted images as this results in a pixilated image.

**All images and videos to be sent to [c.patterson@ballymenalivestockmarket.com](mailto:c.patterson@ballymenalivestockmarket.com).**

**Entries must be sent by Wednesday 24<sup>th</sup> July 2024.**
